

## WP2

# Research and intervention design

Led by Teach For Belgium

This Work Package (WP) aims to refine the NEST theory of change, build a collection of resources to serve as input for the implementation of the NEST intervention and develop the NEST mentoring framework and core curriculum for mentor training.

List of public deliverables:

- **Refined and validated NEST theory of change to support project's implementation:** The project's theory of change describes the project's desired impact on teacher motivation, job satisfaction, effectiveness and retention. Available on NEST website from: July 2021.
- **NEST toolbox of good practices for mentoring novice teachers in disadvantaged schools:** A selection of mentoring strategies, resources, and case studies. Available on NEST website from: July 2021.
- **NEST mentoring framework:** Theory of mentorship and profile of an effective mentor. Available on NEST website from: July 2021.
- **NEST core curriculum for mentor intervention (training and support):** Scope and sequence of mentor learning covered by the NEST intervention. Available on NEST website from: July 2021.
