

WP3

Mentor recruitment and selection

Led by Teach For Romania

This Work Package (WP) aims to set-up and implement a selection process for participants in the project (mentors and novice teachers) for both intervention and control groups.

List of public deliverables:

- **Recruitment and Selection Methodology for mentors and novice teachers:** Set of selection criteria for recruiting and selecting mentors, criteria for selecting novice teachers, recruitment and selection steps defined for both intervention and control groups. Available on the NEST website from: July 2021.
- **Recruitment materials and calls to action:** Communication and marketing materials designed and used during the communication of the open recruitment call for mentors, in each of the 5 pilot countries. Available on the NEST website from: July 2021.
- **Guidelines for working with novice teachers within the project:** These guidelines show the working setup between partner organisations and the participants of the intervention and control groups. Available on the NEST website from: October 2021.
