

## WP6

# Dissemination and communication

Led by the Teach For All

The main aim of this Work Package (WP) is to ensure a high level of visibility of the project throughout the different stages of its development and to ensure that the results from the good practices upscaling are publicised to as wide a group of stakeholders as possible.

List of public deliverables:

- **Dissemination products:** NEST project summary including an overview of the project, its goals, and results. Available on the NEST website from: September 2021.
- **Information packages on key project takeaways and monthly reporting:** Dissemination materials summarising key project takeaways, including presentations, infographics and short videos. Available on the NEST website from: December 2023.
- **National dissemination events:** National dissemination events materials, including presentations, minutes or videos. Available on the NEST website from: December 2023.
- **EU-level dissemination event:** Final dissemination events materials, including presentations, minutes or videos. Available on the NEST website from: December 2023.
