

WP7

Project exploitation

Led by the Ministry of Education and Science of Bulgaria

The purpose of the Exploitation Work Package (WP) and related strategy is to demonstrate the impact of the results of the experimentation at a policy level and to engage high-level stakeholders in discussing and reviewing their own systems.

List of public deliverables:

- **Exploitation/summary report including strategies for mainstreaming and up-scaling and policy recommendations:** Summary of the key objectives and features of the project, its methodology followed, key results and deriving policy recommendations and options for mainstreaming and upscaling the NEST model at country level. Available on the NEST website from: December 2023.
- **National exploitation events:** Dissemination materials from the workshop, including presentations, minutes or videos. Available on the NEST website from: December 2023.
- **EU-level exploitation workshop:** Dissemination materials from the workshop, including presentations, minutes or videos. Available on the NEST website from: December 2023.
